SDA Scholarships Changing Lives

Scholarship recipient **Kristina Japay '14** addressed the 275 guests at the SDA Leadership Awards Gala in November. She shared her heart-warming story of how receiving an academic scholarship enabled her to attend SDA.

When one hears the term “scholarship” a variety of thoughts may go through one’s mind: “gifted student,” “eternal memorial,” “work-study,” “free tuition,” “lasting legacy,” and “financial aid,” are just a few. To some of our students, their SDA scholarship reflects opportunity, a direction and path, and an education and experience that is unforgettable.

“Being on scholarship at SDA has allowed me to go to the school I have wanted to attend since seventh grade,” says **Alexis Mason '14**, a senior from Secaucus and daughter of

Coleen Kwiakowski Mason '87. “Without the scholarship my parents would not have been able to afford to send me here to receive an amazing education and establish a musical career.” Alexis has been part of the Glee Club all four years, which has enabled her to sing at Carnegie Hall several times. She will attend Monmouth University in September and major in Music Education.

“If it weren’t for the Isabelle C. Wolfe scholarship I wouldn’t be able to graduate from SDA and would have been a student at Malcolm X. Shabazz High School in Newark,” says senior, **Jade Dawson '14**. “I would have been

A Woman for Others Even in Death

Marie Varley '56 Continues Her Generous Spirit with Bequest to SDA

Last September, Saint Dominic Academy lost one of its most tireless supporters in the passing of **Dr. Marie Josephine Varley '56**. Marie dedicated her life to helping others and even in death her giving did not stop, as she left a bequest of approximately \$35,000 to her alma mater to be known as the Varley Scholarship in honor of her family she loved so much. The Scholarship will go toward young women wanting an SDA education, but in need of financial assistance.

As a Caldwell Dominican Sister, Marie taught at several schools throughout New Jersey and upon leaving the order she became known as “The CROP Lady” raising funds

Spring 2014

Dear Friends of Saint Dominic Academy,

By the time you read this newsletter, the long, cold winter of 2014 will be just a memory. I hope that all of you made it through without major disruption to your daily lives or damage to your homes. Unfortunately, the Academy did experience some significant damage to the ceiling of our chapel, due to accumulated snow and ice on the flat roof above it. Fortunately, the stained glass windows, which had just been restored and replaced last fall, escaped any damage.

In this issue you will be reading about our scholarship program which provides the gift of an SDA education to countless young ladies, whose families could never afford the full tuition without some aid. The program also supports our academic merit scholarships, which are awarded to young ladies of exceptional academic achievement. These two programs are made possible by friends like you – true believers in the education of young women in the timeless tradition of the Sisters of Saint Dominic. On behalf of all of them, whose lives have been transformed by your generosity, I wish to thank you.

As part of our 135th Anniversary celebratory year, we have compiled a very special list of all our donors who have supported the Annual Fund over the past 30 years (the age of our database). This list, which is included in this newsletter, names the donors who made at least five gifts to the Annual Fund in the last 30 years. It does not include gifts and contributions made to the Academy for other purposes, although we have a record of those gifts and are most grateful for them. We are focusing on the Annual Fund in this special report to show you what a significant part the Fund plays in our fundraising program. So -- look for your name – you might not realize just how many times you said “yes” to the Academy when you received that appeal. Our hope is that reading about the ways donors to our scholarship program are changing lives, more of you will be inspired to join this special group of “friends of SDA.”

As we move into spring, I look forward to greeting many of you at our all-class Alumnae Reunion Weekend in May.

an outcast at Shabazz because I wouldn’t have fit in with the crowd there.” Jade looks forward to being the first in her family to finish college and plans on majoring in Criminal Justice at William Paterson University in September.

Due to the generosity of many, SDA awards over \$400,000 to our students each year. Some of this support is funded by foundations such as the Turrell Fund, The Scholarship Fund for Inner-City Children and The William E. Simon Foundation. Other scholarships come from individual donations and others are initiated with bequests such as the most recent one left to SDA by the late **Dr. Marie Varley ‘56** (See sidebar story on page 1).

Susan Odenthal Mulvaney ‘73 recently established the Sister Victorine Scholarship in honor of the Caldwell Dominican Sister now known as Sister Barbara Krug. “Catholic education in a setting that encourages young women to be their best is as vital as ever, but its cost has become out of reach for too many who could benefit,” says Susan. “The legacy of SDA will only be assured if we, whose lives have been influenced by what we experienced here, support it. I’m blessed to be able to honor a Sister who had such an impact on me.”

Out of our enrollment of 301

students, more than 50% receive some form of scholarship whether financial aid, academic merit or legacy grants where daughters and granddaughters of alumnae receive a tuition discount. Dollar amounts for scholarships range from \$500 to \$8,500, and for some of our families that amount is the difference between sending their daughter to SDA or to their town’s public school. Years ago, some local churches paid the SDA tuition for the children of the parish. Today, there are very few parishes that have an open Catholic grammar school in Jersey City. While SDA’s current tuition of \$10,440 may be 10 or even 20 times the amount paid by some families decades ago, the amount is still less than the actual cost (\$11,800) to educate each student at SDA. Thus, even families who do not receive any type of scholarship are basically receiving a discount of \$1,360 per student.

“Charging that extra \$1,360 might be the straw that breaks the camel’s back for some of our families,” says SDA Head of School Barbara Griffin. “We do our best to keep tuition as affordable as possible, but we know that our tuition at just over \$10,000 is a stretch for some of our families. Our scholarship fundraising efforts have been critical to bridging that gap for each student.”

Over the last five years, more than a

for the poor and hungry through CROP Walks for Hunger while working for Church World Services whose mission consists of feeding the hungry, clothing the naked, healing the sick, comforting the aged, and sheltering the homeless. She served on several boards for Catholic education including 12 years on the SDA Board of Trustees. In 2012, the Academy honored Marie with the Dominican Pillar Award at the SDA Leadership Awards Gala. In her acceptance speech, Marie asked the audience to continue to remember those less fortunate.

Marie was a committed fundraiser for the Caldwell Dominican Sisters and SDA. As a volunteer caller for the SDA Phonathon, Marie would talk to hundreds of alumnae asking for their support. When anyone would counter Marie’s request with, “I wasn’t on scholarship, why should I support the school,” Marie would answer, “We were all on scholarship as the Dominican Sisters paid part of our tuition with their blood, sweat and tears!” Marie usually got the donation.

Marie was always grateful for the many blessings she received during her life including the love of friends and family, her strong faith, and the love of God and the Blessed Mother. Her belief in giving back continues in her death not only with the Varley Scholarship and by donating her body to medical research, but in the lives of those she served.

Congratulations Mr. Tubey!

The Sister Edith Magdalen Chapel Window Renovation Project was completed in 2013 and the new windows look beautiful. Donors to the project celebrated the extraordinary life of Sister Edith Magdalen and a commemorating plaque was unveiled. **Barbara Bandel Stomber '61 and Ruthellen Schutte Campbell '63** enjoyed the reception in Madonna Hall following Mass in Sister's honor. SDA Head of School Barbara Griffin was happy to be reunited with her Duncan Avenue playmates, **Joan Finnegan Balance '57** and her sister Eileen.

Paulette Buczynski Sakariassen '68 was all smiles when her SDA ring was returned to her after 45 years. While dating George Martin, brother of **Patricia Martin Jaz '68**, in high school, Paulette gave George her high school ring, a sign that they were "going steady" at the time. After they broke up months later, Paulette forgot about the ring. Fast forward 45 years later, when George's now wife, Cathy, found the ring in his belongings recently and made it a point to return the ring to its rightful owner.

This special fund supports all operations of the school and we thank you for your constant generosity to help continue our mission in our 135th anniversary year.

dozen scholarships have been initiated at SDA including memorial scholarships as well as a few for students who have particular gifts to share with the community. Several scholarships have been established via the "Fund a Scholar" segment from the Leadership Awards Gala held each year. During this live auction event, donations of \$100 to \$10,000 have totaled over \$80,000 for the last three years.

"Everyone knows education is key to one's success and when people see their donations being put to good use, they want to help more," says **Kate Lillis-Magnus '83**, SDA Advancement Director. "After our guests hear from one of the scholarship recipients at the Gala, they see first-hand how their support impacts a young woman and they eagerly raise their hands during our "Fund a Scholar" auction."

Donors to "Fund a Scholar" include **Ellen Meagher Teresi '72** and husband Joe who learned about the auction during a Florida Reunion in 2012 and pledged a \$100,000 gift over ten years. "I'm grateful to be in a position to help young women build a strong foundation for their lives," said Ellen. "The education I received

and the friendships I formed at SDA have been such an important piece of my life. Contributing to SDA's scholarship fund is my way of helping to provide that same experience to others."

Retired public school educators, Karen and Peter Fischbach have attended the Gala for the past several years and have generously donated to the "Fund a Scholar" auction. "We believe that Saint Dominic Academy plays a vital role in educating and empowering young girls to achieve their lifelong goals," said Mrs. Fischbach. "As we have found the importance of education in realizing our goals, it is our sincere hope that the contributions made to "Fund a Scholar" will provide opportunities for young girls to reach theirs."

SDA Admissions Director **Andrea Villani Apruzzese '75** is especially grateful for these scholarships, as it helps in her recruitment efforts. She states, "We receive quite a number of scholarship applications each year and the decision making process is a daunting one. So many applicants are very gifted and talented and in need of financial assistance. We are blessed by the generosity of the many donors that help make the SDA dream possible for girls who might not have

had the chance to receive this outstanding education."

"When you look at the education statistics locally with regard to cost vs. reward, we feel an SDA education is a bargain comparatively speaking," says Mrs. Griffin. "While our tuition is just over \$10,000, we feel it's a reasonable investment in a young girl who will pay it back tenfold in the woman she becomes after her four years here or now, with our 7th & 8th grades, after six years of being within the SDA environment."

"The opportunities I've been given and experiences I've had at Saint Dominic Academy would never have been possible without my reception of this scholarship," says **Catherine Banach '14**, a senior from Nutley receiving the **Mary Griffin '41** Spirit Award Scholarship. "The educational and athletic opportunities that were made available to me at Saint Dominic Academy have given me a great foundation for discovering my passion and building a career as I enter college in the next few months. I am hopeful that I will be continuing my education at another great institution, Brown University, in the fall."

Changing lives? Yes, indeed!
