

From the N. J. Department of Education

Please read below for a message from the NJ Dept of Education- distributed on May 9th to all public and non public school administrators.

...In light of the components of Executive Order No. 107, and in the best interest of the health and safety of the public, in-person ceremonies, including graduations, all parades, including “wave parades,” that invite people to gather at a certain location, proms, and other similar celebrations violate the enumerated conditions of the order, and should therefore be cancelled or postponed until such time as these restrictions are lifted. Until such time, virtual celebrations and other remote forms of recognition should take the place of any in-person or public ceremonies.

Sincerely, Colonel Patrick J. Callahan State Director of Emergency Management
