

Attention Dining Card Customers

Gentle Reminder: Kindly check your dining card balance at fspreorder.com- click on check balance and enter your dining card number. Lunch cannot be purchased with a dining card that has insufficient funds. For your convenience we also accept Cash, credit/debit cards, Apple and Android pay.

Reload your dining cards easily by visiting fspreorder.com (no need to send in a check and no need to see a cashier to complete the reload process)

From your desktop

- *Select your school
- *Select dining card balance tab upper left of screen
- *Click reload card in upper right-hand side of screen
- *Enter your 16-digit gift card number and pin if your card has one
- *Follow the prompts to complete the reload process
- *Reloads will be confirmed by an email
- *Your dining card is now ready for use

From your mobile device

- *Select your school
- *Select the three lines upper left of screen
- *Select dining card balance tab
- *Select the three lines upper right of screen
- *Select reload card
- *Enter your 16-digit gift card number and pin if your card has one
- *Follow the prompts to complete the reload process
- *Reloads will be confirmed by an email
- *Your dining card is now ready for use

There is a \$100 minimum on all card reloads. This is a great way to avoid any credit card processing fees on purchases under \$10. Check your balance anytime so you know when to reload.

Kindly,
