## Course Description

**Art Studio:** Students will learn the elements and principles of design and apply them using paint, printmaking techniques, pen and paper.

**Speech and Debate:** Students will further their presentation skills and learn tips and trick about public speaking while learning the art of debate.

**Fitness Fun:** Students will participate in fun physical activities including yoga, dance fitness, kickboxing and more!

**Girl Power:** Students will become more self-assured through empowerment exercises and group discussion. They will learn how to maintain a healthy self-image and how to become a positive citizen.

**Robotics/Cool Science :** Students will use a robust robotics platform to design, build and program a solution to solve an existing problem.

**HSPT® Prep:** (As indicated on the schedule) Intensive preparation for the COOP/High School Placement Test (HSPT)
